## **Reference Manual**

**Putnam County Election Office**

**October 2009**

## Introduction

One of the Goals of the Putnam County Election Commission is to strive for 100 percent registration of all eligible citizens.

We thank you for your willingness to **“Conduct a Voter Registration Drive”** and encourage you to review the contents of this guide. Please contact us at **526-2566** if you have any questions or concerns about the voter registration procedures.

### The Decision to Conduct a Voter Registration Drive is:

1. As worthy a cause a citizen can undertake
2. Fundamental to the election process
3. Important & should be taken seriously
4. Taking responsibility to make government work

### The Voter Registration Drive will be successful when:

- a. Forms are properly completed including all required items
- b. Forms are delivered to the Putnam County Election office prior to any upcoming registration deadline
- c. Forms are made available to individuals without discriminating against any group (based on gender, race, political point of view, etc.)
- d. Individuals conducting the voter registration drive insure that individuals given forms to be mailed later know how to properly fill out the form and are advised of the appropriate upcoming voter registration deadline
- e. Individuals who submit an application to register to vote are advised once their application is approved they will be mailed a buff colored voter registration card from the Putnam County Election Commission

## **VOTER REGISTRATION APPLICATIONS**

Voter Registration Applications are documents issued by the State of Tennessee and may be used in any Tennessee county. The Putnam County Election Office will consider a registration drive to be any request for 25 or more Voter Registration Applications. Reporting requirements are why Voter Registration Forms are labeled with a letter code. *“E” stands for Election Commission, “H” stands for High Schools and “L” stands for Library.*

The Putnam County Election Office will issue forms with the Letter Code of “E” for your voter registration drive.

### **The Voter Registration Application can be used to:**

- Apply to Register to Vote
- Report a Change of Address for a Voter
- Report a Name Change
- Report a Change in other Information
- Cancel a Voter’s Registration in another County or State

### **To be Eligible to Register to Vote** in Putnam County, Tennessee

#### **ALL of the following qualifications must be met:**

- be a U.S. Citizen
- be a Legal Resident of Putnam County when submitting a voter registration application
- be 18 Years of Age by the Date of the Next Election
- Not have been Convicted of a Felony or have had Voting Rights restored as required by state law
- Submit a properly completed voter registration application at least 30 days before an upcoming election

These qualifications are the same county to county. However, to be eligible to register in another Tennessee County, the individual must be a resident of that county as well as meet the other qualifications. ***To register in Putnam County one must be a resident of Putnam County.***

## **REGISTRATION DEADLINE**

Voter Registration Deadlines are specific under the law. If the completed forms are hand-delivered (walked in to the office), they must be delivered by the close of business on the 30<sup>th</sup> day before any upcoming election day. **THIS IS STATE LAW AND NOT OPEN TO DISCUSSION. VOTER REGISTRATION DEADLINES ARE RIGID.**

If the forms are mailed (by an individual or the person organizing the voter registration drive), the envelope must be postmarked no later than the 30<sup>th</sup> day before any upcoming election day to be timely. A form with a postmark of 29 days or less before Election Day would be considered **UNTIMELY** and the individual **WOULD NOT BE ELIGIBLE** to participate in the upcoming election.

Conducting a voter registration drive makes you responsible for getting the forms delivered timely. Don't rely on a postmark unless you personally take the envelope to the Post Office and have them cancel the mailed envelope with the proper date.

## ***Processing Voter Registration Applications at the Election Office***

The Putnam County Election Office personnel stamp all documents when they are received. Voter Registration Applications are categorized as timely or untimely at the time of receipt when compared to any election deadlines. If a Mail-In Voter Registration Application is untimely, the voter will be notified by postcard that their registration was received after the deadline and they will not be eligible to vote in the upcoming election. A voter registration deadline could be for a county-wide election or a city election.

Voter registrations timely filed are processed in the order in which they are received. **An applicant's eligibility is determined by the Putnam County Election Office personnel based on state law.** Registrations that have a deficiency (missing social security number, signature, date of birth, etc.) will be rejected and the voter notified in writing. Occasionally, registration forms are received in Putnam County belonging to a neighboring county. Those forms will be forwarded to the appropriate county election office. Hopefully, each application in your registration drive will be timely and properly completed.

The Putnam County Election Office will issue a buff colored voter registration card to each eligible voter. While conducting your registration drive, please advise each applicant to look for their Putnam County Voter Registration Card in the mail. Advise them to read the card for accuracy and, if everything is in order, to sign the card and keep it in a safe place until the next election.

**INDIVIDUALS THAT REGISTER BY MAIL MUST VOTE IN PERSON THE FIRST TIME THEY APPEAR TO VOTE.** The definition of “in person” would be to appear personally at their election day polling place with proper I.D. or appear personally at an early voting location with proper I.D.

***Some forms of Valid I.D. for first time voters are:***

Putnam County Voter Registration Card with current residential address, or  
Valid Tennessee Driver License with current address, or  
Photo I.D. with voter’s name & voter’s signature, or  
Photo I.D. without voter’s signature plus social security card or credit card,  
or Passport

***ELECTION DAY POLLING PLACE INFO***

Putnam County Election Day Polling Places open at 9 AM and close at 7 PM. The location of your polling place is located on your Voter Registration Card. A voter knowing the location of their election day polling place avoids problems and delays.

The Putnam County Election Office website at [www.putnamco.org/election](http://www.putnamco.org/election) has addresses for each of the 44 Election Day Precincts.

## **LOCATION OF MAIL-IN VOTER REGISTRATION APPLICATIONS**

The Putnam County Election Office has placed Mail-In Forms at each U.S. Post Office in our county. Additionally, forms can be found at the Public Library. The Department of Safety, Department of Human Services, Register of Deeds, all of the High Schools, Military Recruiting Offices, Putnam County Health Department and the County Clerk's Office have forms available during normal business hours.

## **PURGED REGISTRATIONS or PERMANENTLY REGISTERED?**

Many citizens think voter registration is permanent - once registered, always registered. **This is simply not true.** Previously, Tennessee used the term "permanent" on election documents which added to this incorrect belief. The word "permanent" no longer appears on voter registration cards.

As required by law, all 95 County Election Offices in Tennessee purge voter registration records on a daily basis. Upon receipt of notice that "John Q. Public" registered in another county, his name is immediately purged off the Putnam County Voter Database. Should "Mr. Public" attempt to vote in Putnam County, he will be advised that he was purged from our records when he registered elsewhere.

## **Other Legal Reasons to Purge a Voter:**

- Upon receipt of a request to purge the registration from the voter.
- Upon the death of the voter.
- Upon written confirmation that the voter has moved outside the county of registration or has registered to vote in another jurisdiction.
- Upon learning that a voter has had a name change for ninety (90) days or more, except by marriage, and the voter has failed to notify the election office.
- Upon receiving official confirmation that the voter has been convicted of an infamous crime as defined in T.C.A. 40-20-112.
